CREATIVE EXPERIENCE

Independent AI Filmmaker and Generative AI Artist

Limerence • SxAnimations | September 2026 – Present

- Create and independently produce Limerence, an original AI-animated series with recurring characters, story arcs and a consistent visual identity.
- Develop cinematic scenes using Higgsfield AI and Seedance, refining prompts, camera movement, character appearance, pacing and continuity.
- Edit and package short-form animation for social platforms, focusing on emotional storytelling and audience engagement.
- Built @SxAnimations from 38 to 8,000+ followers in less than one month, generating 1.2 million+ profile views.

PREVIOUS EXPERIENCE

Residential Concierge | The Stratford, London

July 2023 – March 2025

Handled resident and contractor enquiries, emergencies and handovers, maintaining a high standard of service.

Residential Concierge | Premier Estates, London
